

Mcleodganj & Triund

Dear Sir/Ma'am

Greetings from LookATrip

Welcome to the world of extraordinary travel with LookATrip! Triund trek is a short and easy trek to the Himalayas, which makes it an ideal weekend trip for beginners. The trek starts from Mcleodganj. The town of Mcleodganj provides a grand opportunity to experience the vibrant Tibetan culture. The trek takes you to the monasteries, and prayer flags and you get a glimpse of Buddhism. Triund is at an altitude of 2880m and offers fascinating views of Dhauladhar Valley on one side and Kangra valley on the other side. Triund is a large land of green pastures and is known as the crown gem of Dharamshala. The trail passes through the Bhagsu waterfall, many small gushing streams, and dense forests of pine, oak, and deodar. The Triund Trek provides many breathtaking views of floating clouds, and pristine mountains, which makes it one of the best camping places in India. Such camping trips make all the time and effort spent worth it
